*Manufacturer declares under its sole responsibility that the product:*

**RamanBioConnect™ PROBE**

Serial Numbers: 300060-0010 through 300060-9999

*is in conformity with the provision of the following Directive:*

**General Product Safety Regulations 2005 (GPSR)**

The product “The RAMANBIOCONNECT™” is intended as an accessory for use with the Tornado Spectral Systems Raman analyzer systems and bioprocess equipment from Sartorius Stedim Biotech. The RAMANBIOCONNECT™ enables real-time measurements of critical analytes and properties of a biopharma mixture.

Conformity assessment was performed according to reg. 5 “general safety requirement” and 6 “Presumption of conformity”.

The following standard (s) were used to prove the products conformity with the general safety requirements of the above regulations:

[BS EN ISO 9001:2015](#)

This statement is based on a single evaluation of one sample of the above-mentioned product. It does not imply an assessment of all serial numbers within the product line. The manufacturer shall ensure that all products in this product line are in conformity with the sample detailed in this report.
