

Dear Customers,

Due to regulatory requirements, we have started to print the IFU revision level on the product label.

Below are listed the products and their expiry dates for which no IFU revision level has been printed on the label. Use the table below as reference to find the right IFU for your product if it does not have an IFU revision printed on it.

Material Number	Product	Expiring on or before	IFU Revision
8290200	Bruker IVD Matrix HCCA-portioned	2020-12	K
8290190	Bruker IVD Bacterial Test Standard	2019-12	J
8604531	US IVD HCCA portioned	2021-01	H
8604530	US IVD BTS	2019-12	F
