

# eXceed Event: User Meeting

## Sharing user stories

### Bruker Life Sciences Mass Spectrometry

## Agenda

Monday July 17<sup>th</sup>, EuPA User Meeting, The Frederick Douglass Centre, Newcastle University, Newcastle upon Tyne, NE4 5TG, United Kingdom

- |               |   |
|---------------|---|
| 12:00 - 12:45 | <b>Welcome &amp; Lunch</b>  |
| 12:45 - 13:15 | <b>Spatial Proteomics of a Human Brain Tumour</b><br>Simon Davis, Ph.D., Postdoctoral Researcher, Discovery Proteomics Facility, Nuffield Department of Medicine, University of Oxford, UK            |
| 13:15 - 14:00 | <b>Combine PreOmics' BeatBox with iST to unlock the full potential of FFPE tissue in proteomics</b><br>Katharina Limm, Ph.D., Application Scientist, PreOmics, Germany                                |
| 14:00 - 14:30 | <b>Bruker ProteoScape™ and TwinScape™: Unifying Proteomic Analysis, Immunopeptidomics, and Predictive Maintenance</b><br>Jonathan Krieger, Ph.D., Head of Research Bruker ProteoScape, Bruker, Canada |
| 14:30 - 15:00 | <b>Highly multiplexed prm-PASEF® for blood sample analysis</b><br>Marta Mendes, Ph.D., Scientist, Proteomics of Cellular Signaling, Institute of Health, Strassen, Luxembourg                         |
| 15:00 - 15:15 | <b>Coffee Break</b>   |
| 15:15 - 15:30 | <b>Spectronaut® 18: Limitless Throughput. Unparalleled Efficiency</b><br>Sira Echevarria Zomeno, Ph.D., Head of Business Development - Products, Biognosys, Switzerland                               |
| 15:30 - 16:00 | <b>Slice-PASEF: maximising the sensitivity and speed of DIA</b><br>Ludwig Roman Sinn, Ph.D., Senior Scientist, Medical University Charité, Berlin, Germany  |
| 16:00         | <b>Farewell</b>   |

We look forward to welcoming you! Please register [here](#)
