Agenda

Bruker Go Local Lausanne, November 19, 2026
@ EPFL Innovation Park, Building D, Room Uranus, 1015 Lausanne, Switzerland

10:30 - 11:00	**Registration and Coffee**
11:00 - 11:15	**Welcome and Introduction** Dr. Michael Hammer (Sr. Manager Sales CEET, Bruker BioSpin Division), Dr. Bernd Müller (Senior Sales Representative, Bruker Daltonics, Germany), Pascal Looser (Sales Representative BLSMS, Bruker Switzerland AG), Dr. Katharina Limm (Expert Product Management - Plasma Solutions & ENRICH Portfolio, PreOmics-Part of Biognosys Group, Munich, Germany)
11:15 - 11:45	**Hybrid metabolomics on timsMetabo – now standardized and kit-based** Dr. Markus Langsdorf, Product Manager Metabolomics & Lipidomics, biocrates life sciences gmbh (Part of Biognosys Group), Innsbruck, Austria
11:45 - 12:15	**NMR @ EPFL: Lowering the Threshold to NMR for Everyone** Dr. Aurélien Bornet, Scientist, Nuclear Magnetic Resonance Platform, EPFL, Lausanne
12:15 - 13:15	**Lunch**
13:15 - 13:45	**Bridging Biomolecules with NMR, from Small to Large Molecules** Dr. Michael Hammer, Senior Manager Sales BBIO Division, Bruker BioSpin, Germany
13:45 - 14:00	**From NMR to timsMRMS: the transient as the common language** Dr. Yury Tsybin, CEO, Spectroswiss, Lausanne, Switzerland
14:00 - 14:30	**Characterization of complex modified oligonucleotides by intact top-down MS/MS using the timsOmni™ platform** Valerie Gabelica, Biophysical and Bioanalytical Mass Spectrometry, Université de Genève, Switzerland
14:30 - 15:00	**Coffee break**
15:00 - 15:30	**timsOmni™– From cyclic peptides to proteins, leveraging trapped ion fragmentation techniques** Jean-Francois Greisch, R&D Project Manager BLSMS, Bruker Switzerland
15.30 - 16:00	**From Sample to Insight: Standardized Proteomics Workflows Across Diverse Sample Matrices** Dr. Katharina Limm (Expert Product Management - Plasma Solutions & ENRICH Portfolio, PreOmics Part of Biognosys Group, Munich, Germany)
16:00 - 16:20	**Panel Discussion & Q&A - Closing & Departure**

We look forward to welcoming you! Please register here
