

Directions to Bruker Nano GmbH

By public transport

Starting at the railway station **Berlin Ostbahnhof** or **Berlin Hauptbahnhof**:

- S-Bahn S9 in direction Flughafen BER – Terminal 1-2 (~ 35 min)
- Alternatively, you may take the S3 (direction Erkner), S5 (direction Strausberg) or S7 (direction Ahrensfelde) to Ostkreuz. At Ostkreuz change to the S-Bahn S8 or S85 (direction Zeuthen/Grünau) and descend at Adlershof (~ 35 min).

Starting at the railway station **Berlin Südkreuz**:

- S-Bahn S45 (direction Flughafen BER – Terminal 1-2) to Adlershof (~ 20 min)
- S-Bahn S46 (direction Königs Wusterhausen) to Adlershof (~ 20 min).

Starting at the **BER Airport – Terminal 1-2**:

- S-Bahn S9 (direction Spandau) to Adlershof (~ 18 min)
- S-Bahn S45 (direction Hermannstraße) to Adlershof (~ 18 min)

Starting at the **BER Airport – Terminal 5**:

- Bus 163 (direction S Schöneeweide) to Adlershof (~ 35 min). Then follow the instructions below.
- Bus 164 (direction S Köpenick) leaving directly in front of the EasyJet terminal and disembark at stop “Walter-Nernst-Straße” (~ 20 min). Continue walking in the direction of the bus until you reach the intersection with Am Studio. Turn right into Am Studio, the Bruker building is on the right side after approximately 300 meters.

From S Adlershof it is less than a ten-minute walk to Bruker. Walk to the end of the platform (away from the bridge over Rudower Chaussee and descend the stairs. Turn right and then left after the tunnel, cross the tram tracks and keep walking along Ernst-Augustin-Straße. At the end of this street turn left into the street “Am Studio”. The Bruker building is about 200 meters down the street on the right side. Alternatively, you can descend the stairs to Rudower Chaussee (at S Adlershof) and take bus 260 to U Rudow and exit at the first stop (Albert-Einstein-Straße). Continue walking in the direction of the bus, the Bruker building is on the right side after about 200 meters.

By car

From Airport Flughafen BER – Terminal 1-2

After leaving the Airport Flughafen BER – Terminal 1-2 parking lot turn right onto “Am Seegraben” (B96a). Continue on B96a for roughly 5 km until you reach the intersection with the large orange OBI DIY-store on the corner. At this intersection turn left into “Köpenicker Straße”. Take the next right, which is “Am Studio”. The Bruker building is on the left after a few hundred meters. Use the driveway to the Bruker building, you will find several visitor parking spaces on the right side.

From A2, A9, A10, A12 and A13

Use the Berliner Ring A10 till junction Schönefeld. Follow the A113 in the direction of Berlin-Zentrum. Leave the motorway at exit Adlershof. Follow the street “Ernst-Ruska-Ufer” for roughly 2 km. At the traffic light, where the car dealership is on the left-hand side, turn left into “Am Studio”. The Bruker building is on the left after a few hundred meters. Use the access road on the left directly in front of the Bruker building, there are several visitor parking spaces on the right side.
