

ASMS 2024
June 2-6

California Dreaming - See What's Possible

Agenda

Wednesday, June 5, 2024, 7:00 am PST, Anaheim Convention Center, 800 W Katella Ave, Anaheim, CA, USA
Breakfast Workshop MALDI Imaging/SpatialOMx
Room: 208AB

- | | |
|----------------|---|
| 7:00 am | Introduction
Kate Stumpo, Ph.D., Senior Market Manager Imaging Global, Bruker Scientific LLC, Billerica, MA, USA |
| 7:10 am | Advanced spatial lipidome profiling using MIR laser microscopy-guided MALDI Imaging
Stefan Schmidt, CeMOS, Mannheim - M2Aind Industry Consortium, Mannheim, Germany |
| 7:25 am | Multiplexed Analysis of the Triple Negative Breast Cancer Microenvironment by MALDI HiPLEX-IHC and Targeted Extracellular Proteomic Mass Spectrometry Imaging
Jaclyn Dunne, Ph.D. Candidate in Dr. Peggi Angel's lab at Medical University of South Carolina, Charleston, SC, USA |
| 7:40 am | Multimodal combination of MALDI MSI and immunofluorescence for neuroimaging
Catelynn Ridge-Shafer, Ph.D. Candidate, Neumann Lab, University of California, Sacramento, USA |
| 7:55 am | Multimodal workflow for spatial glycan analysis of archival formalin-fixed human tissue using MALDI N-glycan imaging, MIBI-TOF, and spatial transcriptomics
Ke Leow, Ph.D. Candidate in Dr. Peggi Angel's lab at Medical University of South Carolina, Charleston, SC, USA |
| 8:10 am | Close of Breakfast Workshop |
